IMPORTANT CONTACT NUMBERS

County Solid Waste Management

Each County has a Solid Waste Coordinator who deals with issues that include Recycling Programs, Composting, Landfill and Disposal Issues, Household Hazardous waste, Education and Community Affairs, Presentations, Illegal Dumping, Litter Abatement, Enforcement, and Resource Material. Please call your local Solid Waste Coordinator for information on programs, special events, policies, etc., within your county jurisdiction.

Boone County Solid Waste Supervisor :
Kelly Chapman
Phone: (859) 334-3629 / Fax: 334-3595
kchapman@boonecountyky.org
www.boonecountyky.org/NKSWMA

As the NKSWMA Coordinator, Kelly is in charge of making sure you get the information you need. Not sure who to call? Can't decide what disposal method would be best? Call or email our office and we will connect you with people that can help. We have information on Boone, Kenton & Campbell Solid Waste Programs, as well as the Northern Kentucky Solid Waste Management Plan and Annual Report.

These are the companies that offer disposal service.

For information about construction/demolition debris container service,

Please Consult the Phone Directory.

GETTING GARBAGE SERVICE

FIRST, if you live in a subdivision or planned neighborhood, find out if there is a Homeowners Association for your community. Often, the HOA contracts trash service for the neighborhood.

SECOND, if you don't have a Homeowners Association, contact your city. Cities usually manage garbage service for incorporated areas.

THIRD, if you live in an unincorporated region and not in a city, you are free to contract waste removal with any hauler that you prefer. Check the list at left for hauler information.

Report a Garbage Dump :
If you see a garbage pile on someone's property, you can call the Kentucky Division of Waste Management's Illegal Dump **Hotline at 1-888-NO DUMPS** or your Solid Waste Coordinator.
You can also anonymously visit **www.boonecountyky.org/bcswm** to report. If you actually see someone in the act of dumping, **CALL 911**. Dumping is a Class D felony, so please speak up!

RECYCLING

To sign up for **curbside recycling**, call your waste hauler. You can always collect household recyclables and bring them to any of the drop-box bins below. Please be sure to place only acceptable recyclables in the bins because dumping unauthorized material in or around a bin causes contamination and it is considered illegal.

BOONE COUNTY - Recycling Bins:

◊

◊ June 20th - River Sweep

◊

◊ October 19th-25th - The Fall Clean Up

◊

◊ November TBA - NKY
Household Hazards Waste Collections

HOUSEHOLD HAZARDOUS WASTE

Household hazardous waste **(HHW)** is the group of chemicals and other substances that are commonly found in many homes but require special attention when being discarded.
Please keep in mind that the best way to get rid of these materials is to use them up and use them for their intended purposes.

Antifreeze

Antifreeze can be taken to **Kenton County Public Works** in **Independence (392-1920)** which is open to any Northern Kentucky resident with a 5 gallon limit.

Batteries 1-877-2-Recycle

Auto batteries are accepted by most stores that sell them and Boone County Public Works Department will accept them as well.

Rechargeable batteries can be **dropped-off at the following sites:**

1. Boone County Public Works
2. Campbell County Fiscal Court
3. Kenton County Public Works
4. Covington City Building
5. City of Florence Public Services
6. Independence City Building
7. Walton City Building
8. Union City Building

Fire Extinguishers:

For Safe disposal, spray any remaining material out of the extinguisher and into a garbage bag. Once the container is empty, mark up with your household trash.

Gasoline

Boone County Public Works Department accepts gasoline. Call for details 859-334-3629.

Household Cleaners

Most of these products are water-soluble and can be poured down the drain mixed with water. Never mix household cleaners when disposing. Special caution should be taken with septic systems or package treatment plants.

Paint

First, try to reuse any liquid paint by finding a neighbor, church, or local school who can use it. If you must dispose of it, You can set the paint at the curb with your regular trash; BUT you must first solidify it.
***Remove the lid from the can, mix kitty litter into the paint to an oatmeal consistency and let it dry. Be sure to do this in a well-ventilated area or outdoors.**
The paint doesn't have to be perfectly solid, but it cannot be runny.

The **Covington Reuse Center** will re-blend some liquid paint so that it can be reused. Call for details before delivering paint—**859-291-0777.**

ENVIRONMENTAL DISPOSAL COMPANIES

Safe and legal disposal of any hazardous materials for a small fee:

(EEI) Environmental Enterprises, Inc.

(513) 541-1823 or 513-772-2818 Emergency Response 1-800-392-1503
4650 Spring Grove Ave. Cincinnati

Cleanlites Recycling

(513) 641-4155
They accept All Lights (fluorescents carry a small fee), Ballasts, all electronics, monitors, mercury devices, thermostats, smoke detectors, aerosol cans, and latex paint.

If you have any questions about disposal please feel free to call your local Solid Waste Coordinator, the NKSWMA Coordinator or the
Northern Kentucky Household Hazardous Waste Action Coalition at
578- 6744.
Check out the **Coalition's website at www.nkyhhw.org.**
All three NKY counties are members of the Coalition.

Vehicles :

Call the following businesses to set up free removal and recycling of junk vehicles:

* **Boone County Auto & Truck Salvage** 384-1164
* **Union Auto Parts** 384-3381
* **Walton Recycling** 363-8300
* **Webster's General Contracting** 393-4890

USED Motor Oil & Oil Filters

Used motor oil from home oil changes must be taken to a facility that can dispose of it properly. Both **Boone** (**334-3600**) and **Kenton Counties' (392-1920)** Public Works Departments accept up to five gallons of used motor oil from private residents. Most instant oil change businesses accept used oil as well, but be sure to call ahead before bringing your oil as there may be restrictions.

The Northern Kentucky Solid Waste
Management Area
5645 Idlewild Road
Burlington, KY 41005

STAMP
ME

The Northern Kentucky Solid Waste Management Area consists of Boone, Kenton, and Campbell Counties.

LITTER ABATEMENT & SPECIAL EVENTS

Litter is an unhealthy, harmful and intolerable blight. It affects our quality of life, and it creates a negative impression of our community. It also pollutes our land and water and is detrimental to wildlife. Litter is also expensive to remove—Kentucky spends millions of dollars every year cleaning up roadways. ***Littering is also illegal !!***

Throughout the year, Northern Kentucky hosts litter clean ups and abatement programs to combat litter. If you would like to learn more about how to get involved and stop litter in your community, call your local Solid Waste Coordinator or the NKSWMA Coordinator. We would love to plan a community litter cleanup for your neighborhood or business. Join us for our Spring & Fall cleanups as well as Commonwealth Cleanup Week, River Sweep and the Great American Cleanup. ***Northern Kentucky is OUR home—help us keep it clean!***

EDUCATION

Your Solid Waste Coordinators have a wealth of information to share with you. They are available to give presentations to schools, civic groups, churches, camps ... anyone. We can discuss any subject related to solid waste management, such as recycling, waste reduction, household hazardous waste, litter and more. If you are interested in these programs, wish to schedule a presentation or need more information, just give us a call or an email.

The NKSWMA and this Resource Guide do not seek to endorse or promote any company. The listings are provided as a service to inform the public of proper disposal and recycling options. Anyone with suggestions, additions or corrections of options **offered to the public** is invited to **call NKSWMA at 334-3629**.
