Mr. Verst called the meeting to order at 7:02 PM. Following roll call, a quorum was found to be present. Mr. Verst asked if everyone had reviewed the March 11, 2014 meeting minutes and asked if there were any additions or corrections. Mr. Verst stated that the minutes should be corrected to reflect that when Mr. Hutchinson was presenting his staff report for case #128-14-ZMA-01, Chris & Mary Lee Reis, that he made 2 corrections to his report. The first correction is on page 2, line 28. It read "*Minimum* number of lots within tract" and was changed to "*Maximum* number of lots within tract". The second correction is on page 3, line 8. It was listed as the "Campbell County *Conservation District*" and should reflect the correct entity of "Campbell County *Conservancy*". Mr. Verst asked if there was any discussion on the corrections to the minutes or if there were any other changes that needed to be made. There being none, Mr. Verst called for a motion. Mr. Barrow made a motion to approve the March 11th meeting minutes as corrected. Mr. Stubbs seconded the motion. A roll call vote found Mr. Barrow, Mr. Bass, Mr. Stubbs and Mr. Williams in favor of the motion. Mr. Verst abstained. Motion passed.

There being no cases to come before the Planning Commission, Mr. Verst called for the Director's Report.
